

DISCLAIMER

This communication does not constitute an offer to sell or the solicitation of an offer to buy any security or investment product and should not be construed as such. Any investment, strategy, product, product design, portfolio signals, or list of stocks are EAM technology output and are not based on the knowledge or expertise of a SEC licensed investment advisor or FINRA licensed broker.

Pegassets is an intellectual property licensor of EAM stock selection technology to our licensees under contract and is not a registered investment advisor, financial consultant, or licensed insurance agent.

Pegassets and our EAM licensor make no guarantees that the EAM generated stock output is suitable for any investment model, fund, investment product, product design or investment strategy. The EAM stock output is dependent on the knowledge and expertise of the licensee for the production of financial products to investors.

Pegassets and our EAM licensor make no guarantee regarding the absolute or relative performance of the EAM technology stock output.
